

20SW

Code: CR20SW

For Summer and Winter

The 20SW is a real step up in spreaders. If you are regularly spreading salt or fertilizer and are wanting an easy to push, quality spreader, pneumatic wheels are essential.

Product Description:

The 20SW offers a solid rod linkage, an enhanced gearbox, all the benefits of the summer and winter sliders and most importantly - pneumatic wheels. The pneumatic wheels provide improved grip in winter and superior handling and balance.

Unique Selling Points:

2 Year Limited Warranty

Cushioned T on/off lever with solid rod linkage

Pneumatic Wheels

All the benefits of winter and summer sliders
